

PAUL AND KAREN'S WEDDING IN LONDON

Paul and Karen,

Thank you for the fabulous time I had at your wedding.
Here are some pictures for you and all the world to see, with a special hello to Gina in Sydney. Hello.

Great success and much love,
Peter

P.S.

When in London I and my cousins Kenneth and Finton were treated to a great meal and wonderful beverages at The Studio on Charlotte Street (see the picture). Our host, Keza-Dusko Kezunovic, wisely noted that we had damaged ourselves the night before and took great care of us. Life was good again. Check out his restaurant when in London and tell him Peter sent you! Thanks Keza and Good Luck!
